COVENANT RELATIONSHIPS - CHAD FISHER
COVENANT FAMILY

Train up a child in the way he should go, and when he is old he will not depart from it. **Proverbs 22:6 (NKJV)**

The only hope for this generation is **JESUS** .

The key to raising covenant children, to building a covenant family, is to build and maintain a culture in my **HOME** stronger than the culture of the **WORLD** .

Five Questions for Covenant Families

- ① Am I parenting by **CONVENIENCE** or by **CONVICTION** ?
- ② Do I have a cultural **DASHBOARD** for my home?
- ③ Who owns my children's **HEART** ?
- ④ Am I going through the **WINDOWS** of their heart?
- ⑤ Am I intentionally communicating my **VALUES** ?
