

## Lets Talk About [ ] Week 4 Discussion Questions

### Breaking the Ice:

If you could choose your age forever, what age would you choose and why?

**Scripture:** 1 Peter 3:4

### Discussion Questions:

1. What would it look like if we really treated women like daughters of the king?

Read Proverbs 31

2. Todd said women are to be treasured, honored and cherished, break down each of these three words and answer the questions: How do you treasure, honor and cherish the women in your life?
3. How do you keep your life balanced so that work (in and out of the house) does not overtake your other responsibilities?

### Take Away:

It is God's desire for us to view ourselves as *His* children. As daughters and sons of the creator of the universe we have a privileged status and yet we at times view ourselves merely as slaves to sin. We believe that we are unworthy to receive the love and blessings of our Father. As children of the creator we should exemplify confidence, peace and maturity. We should be the first to forgive, the first to love and the last to judge others.

### Prayer Requests:

Share and record your group's prayer requests. Take time to pray together and make the prayer requests available to the group so you can continue to pray for one another throughout the week.

**Note to Leaders:**

The goal of every Life Group is to grow closer to each other by providing an environment of safe interaction. When we foster a culture that promotes transparency and growth we have succeeded in meeting the goal of living life in community. It is never the goal to finish all of the questions, we are there to draw out the group so that each individual can grow in their relationships with one another and most importantly can grow in their relationship with the Father.
