

## WEEK 2

# WHO IS GOD?

### FOR SMALL GROUPS WITH KIDS

If your small group has kids in attendance, the following connected activity is provided for kids to do while parents are in their small group. Each week, there is a scripture reading and an activity. *(Please note - this will not last the entire small group time)*

Before the group each week, collect or purchase the needed activity supplies. Some links have been provided to help locate the items listed.

\*In addition to these activities, invite families to spend additional time together going through FAMILY FOUNDATIONS. This is a separate 30-minute experience that helps parents connect with their kids on the same teachings they are learning in their small group.

### READ

“Lord, you are our Father. We are the clay. You are the potter. Your hands made all of us.”

*Isaiah 64:8*

Who is God? He is our Father and the one who created us.

### PLAY

God created YOU! Use the modeling clay to create things God made such as people, animals, flowers, or the sun. For added fun, work together to create an entire scene of things that God made.
